ICYMI: BROWN RANKED #4 DEM 2020 CONTENDER IN ELIZABETH WARREN'S HOMETOWN PAPER

Career politician Sherrod Brown was recently ranked as the 4th top contender for the Democrat nomination for President in 2020 in liberal Senator Elizabeth Warren's hometown newspaper. This makes perfect sense, since Brown votes with liberal Warren 95% of the time and has accomplished nothing for Ohio families the last 24 years. While Brown is busy running for President and fundraising with liberal elites, Ohio families are suffering.

Boston Globe: Ground Game's first ranking of the 2020 Democratic presidential field

*"4. Sherrod Brown... If the Ohio senator wins reelection in 2018, Democrats will probably give him a serious look. **Brown is a strong progressive...**"*
